

# SUMMER HOLIDAY HOMEWORK

*CLASS - PLAY*

HAVE A JOYFUL TIME. HAPPY  
HOLIDAYS

Dear Parents,

Warm Greetings!!

Its SUMMER TIME again!

Use Summer Vacation as an opportunity to spend quality time together. Let your child take the lead and use his/her imagination, creativity and knowledge to do the assigned task. The role of the parents is to be a facilitator and guide to steer the child in the right direction. Original work of students will receive greater recognition and appreciation.

Here are some tips to make this period a fruitful and happy period for them:

1. Encourage the child to wish 'Good Morning' and 'Good Night' to everybody.
2. Motivate the child to use polite words such as 'Please, Thank You, Sorry, May I'.
4. Make sure the child brushes his/her teeth twice a day, morning and before going to bed at night.
5. Encourage the child to speak simple sentences beginning with the words I, my, he, she etc
6. Play with the child asking him /her to touch the objects starting with the letter you call out.
7. Help your child to create patterns like standing, sleeping, slanting and curved lines with the help of clay dough.
8. Give clay dough to make a ball, a circle, a triangle etc.
9. Use terms big/small and tall/short in daily routine like give me big potato or small plate, that tree is tall or short, etc.
10. Show them fruits we eat during summer season such as mangoes, watermelon, muskmelon, litchis, java plum (jamun), etc.
11. Play the game "I can touch". Ask the child to touch his/her legs and say "I can touch my legs". Do the same with different body parts.
12. Encourage the child to keep the surroundings clean by throwing the waste in the dustbins and respecting Mother Earth.
13. Recite all the rhymes done so far with actions and voice modulation.
14. Celebrate Father's Day on 21st June. Mother should help the child in making a beautiful greeting for father.

Dear Parents,

As per the school closes for the summer break, we have planned some worksheets, activities for your child to enhance his/her learning skills in a fun-filled way. To encourage your child's self-esteem and feeling of courage, help your child discover his/her interest and guide your child attempt his/her assignment or activity independently and appoint a specific time for the same every day.

**Let's now explore the assignments, recapitulate the concepts and enjoy the activities: - - - - -**
